

BABY BALLET

Teaching the basic principles of ballet through a fun and creative class. Incorporating animals, colours, characters, story-telling and props to encourage creative learning, engaging with their bodies and developing muscle strength.

CREATIVE MUSIC & MOVEMENT

Exploring music from our favourite nursery rhymes, Disney songs or musicals and combining with movement to teach rhythm, melodies and singing. An expressive class to help build self-esteem and encourage creativity.

“Gems have been professional, polite, enthusiastic and just excellent to work with. The teachers are kind and caring with our children and putting on performances for parents and staff. I would highly recommend using Gems Performing Arts in your school.” - Ms Keen, Senior Mistress Lower Riverston School

INTERESTED ?

If you are interested in an After School Club, then we would be very happy to come into your school and discuss how we could help. We firmly believe in collaboration and working with each school to fulfill their individual needs. We could even set up a free class one day to see how your pupils enjoy one of our classes.

- Classes can vary from 30 to 90 minutes
- Classes can be split into different age groups
- End of term performances: We like to finish each term with a performance to family and friends so that the children can show what they have learnt with us. We find this is hugely rewarding for the children as it builds their self-esteem performing to a small audience and it gives them a sense of pride in their work. This also involves the parents in our club, and they can watch their child's progress, and have an opportunity to gain individual feedback.

AFTER SCHOOL CLUBS

Gems Performing Arts, now in our 15th year, is a Performing Arts company offering a complete range of subjects to varied age groups. Our core competency is offering after school classes, but we also run a Saturday School and regular Holiday Camps throughout the year.

We are a team of young professionals and feel passionately about the benefits that participating in Performing Arts can bring to students of all ages. Most children attend our classes as they enjoy performing and want to learn new skills, but more importantly, to shake off their shy tendencies, to grow in confidence and to interact with other children. We care about each "Gem" and love to watch them grow in confidence in a supportive environment.

We aim to have a personal relationship with all children, teachers and parents to ensure that we can provide feedback to help towards the development of your students. All of our team are highly trained and experienced performers and teachers who undergo a full DBS Police Check, Safeguarding training and are covered by Insurance.
